ENDURION TRAILER

SUPERIOR LIFESPAN FOR HEAVY-DUTY TRAILER

Vredestein Tyres is introducing a new agricultural tyre developed specifically for the Heavy-Duty Trailer segment. The new Vredestein Endurion Trailer is a premium tyre solution that raises the bar in terms of robustness, comfort and tyre life.

BENEFITS COMFORT ZONE

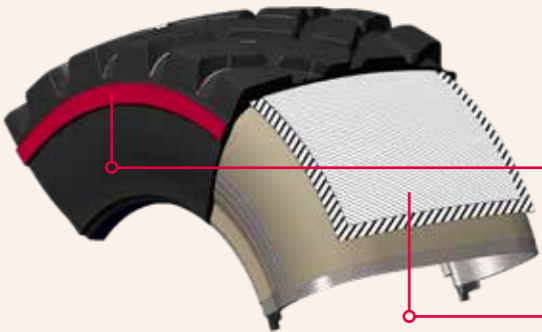

Rubber in driving direction for continuous road contact leading to:

- Excellent driving comfort
- Exceptionally long tyre life

STABILIZER RING

NON-PARALLEL LUGS

Unique non-parallel lugs with increasing gap from the centre to the shoulder, delivers superb self-cleaning properties. This ensures the tyre keeps rolling even in the most difficult conditions, which leads to optimum traction and productivity.

SIDEWALL PROTECTOR
